

## **CHINESE CRESTED PUPPY RESERVATION FEE**

In receipt of \$500 as a reservation fee for a Chinese Crested puppy.

Puppy purchase price is \$1500 excluding the reservation fee. Minnesota requires that we add Sales Tax effective Jan 2021.

### **PROCESS**

- This fee is not refundable after puppies are born and you are scheduled to receive a puppy. If the puppy does not pass health clearances the purchaser will be placed on the list for the next litter. Your priority on the list will advance as puppies are placed or people drop off.

- Fees may be paid via zelle.

Send fee payments to sales@bhnews.com. Fee payments may also be sent via personal check to 16485 Highway 169, Winnebago, MN 56098

If your check is returned your reservation of a puppy will be canceled. Receipt of payment would be the date your check clears the bank in the case of a personal check. PLEASE DO NOT SEND A RESERVATION FEE UNTIL YOU HAVE BEEN NOTIFIED THAT YOU ARE APPROVED!

- When the vet appointment is set, you can reserve a time to pick up your puppy. Please arrive at your scheduled time so that we don't have multiple people here at the same time. If you need to change your pickup time please call so that we can set up a free time slot.

- Cash or Zelle are the ONLY acceptable forms of payment on day of pick up.

- When the puppy is ready to go to its new home, the buyer agrees to take delivery of the puppy. This normally occurs between 9 and 10 weeks from birth. If we "hold" your puppy for you, there is a \$12.00 per day boarding fee.

- The breeder's decision is final as to the puppy you receive, but we will make every effort to provide you with the puppy you want.

- All puppies received their vaccines between 7-8 weeks of age and a booster at 9-10 weeks. Rabies shots are typically given between 12 – 16 weeks. Any other vaccines are your choice. We do not vaccinate for lymes or leptospirosis here.
